

Reference: RHSHF-2026-241222

Date: 09 October 2026

Dear Sir/Madam,

We are pleased to confirm that the credit profiling for Zaria Grains Aggregators Ltd (RC RC100002) under the Renewed Hope Smallholder Farmer Dry Season Input Financing programme, Dry Season (North) 2026, has been ratified. The facility is offered to you on the key terms set out below.

Approved Amount

NGN 8,000,000.00

Key Terms

Facility type	Dry-season agricultural input financing (in-kind seeds/fertiliser)
Approved amount	NGN 8,000,000.00
Interest rate	9.0% for the cycle
Tenor	6 month crop cycle (single cycle)
Repayment	NGN 8,360,000.00 – single bullet, due at harvest

Conditions

- Disbursement is made in kind to the approved input supplier(s), not as cash to the borrower.
- Repayment is a single bullet of principal plus interest, due at the end of the crop cycle (harvest).
- Any applicable security is to be perfected as recorded on the case before disbursement.
- This offer is valid for 30 days from the date above; it lapses if not accepted within that period.
- Please read this letter together with the accompanying Key Facts Statement (KFS).

To accept, please countersign below and return this letter together with the signed Key Facts Statement through the RH-SHF portal. This notice does not itself constitute disbursement.

Yours faithfully,

Bank of Agriculture

ACCEPTANCE

We, for and on behalf of Zaria Grains Aggregators Ltd (RC RC100002), accept the facility on the terms and conditions set out in this offer letter and the accompanying Key Facts Statement.
